

SOUNDFREQ®

Freqbuds Wireless Earbuds

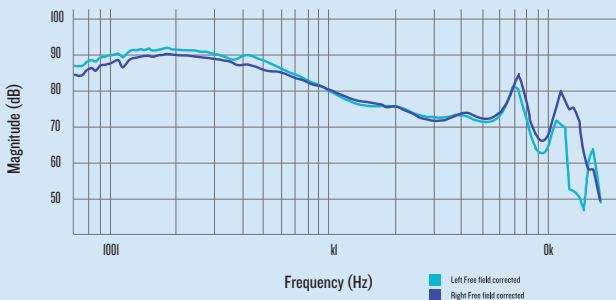

Designed by Music Lovers

Sound Crafted Audio. Refined Comfort.

Freqbuds take Soundfreq's award-winning audio quality and delivers it through lightweight, wireless Bluetooth earbuds. Freqbuds are meticulously sound crafted, producing high quality audio with a design that provides ultimate comfort, so you can enjoy your favorite music all day long. With Freqbuds' IPX4 water-resistant rating, they're protected from water and sweat, making them perfect for working out and activities on-the-go. Freqbuds also feature a built-in 6-hour battery and microphone, so you can easily take calls wirelessly.
